BAKER GIVES WELCOME GREETINGS TO SUMMER SESSION STUDENTS

Hugh C. Baker, director of summer session at the college, made the following statement last Tuesday:

"We are extremely happy to welcome all students to our summer session. We are glad to have many of our alumni and old students with us and are particularly happy to greet so many new ones.

"As a result of the large enrollment, we are pleased to report that all courses are filled.

"We are also happy to find that the course offerings have fitted the summer students' needs for graduation and credentials."

"We welcome them all to the college and campus, and we especially welcome visitors to the bay area. We are sure they will find a rich variety of cultural and recreational attractions in the area. We hope that all the students can find pleasant entertainment on the campus as well as off."

RECORD ENROLLMENT PUBLICIZED FOR STATE COLLEGE SUMMER SESSIONS

A near record enrollment of 1600 was reached on Registration Day, last Monday, and according to the office of Leo C. Doe, comptroller of the college, had passed 1600 by Tuesday night.

The previous record for the summer session was 1741 in the early thirties, according to Miss Mary A. Ward, dean of women.

Hugh C. Baker, session director was highly pleased by the large enrollment. (See above)

BOARD NAMED TO HANDLE STUDENT AFFAIRS DURING SESSION

For the first time in many years a student government exists at summer session. It will consist of members of the Associated Students board of directors of the past term and next term who are in attendance at the session. The board was appointed by the regular student government at the close of the Spring term.

The board consists of Don Burch, John Sheppard, Ken Pasquelotti, Ray Fournival, Marne Camp, June Christianson, Phil Ryan, Stu Bennet, Miss Mary Ward, Dr. John Cornehlsen, and Mr. L. Frembling.

Vin O'Leary, student body president, appointed Camp to be Chairman. First meeting will be held Monday in the Activities Room at 2 p.m.

Main duties of the interim board will be to push the sale of student body cards, coordinate and play all activities, and handle the enterprises of the Associated Students for the summer.

The sale of student body cards had gone past the 200 mark at press time, according to Mr. Frembling, administrator of student affairs.

The advantages of the student body card were emphasized by Miss Ward who said that because of additional cost prices in the cafeteria have been raised. A student body card holder, she said, is entitled to buy scrip for use in the Co-op, netting a value of $5 for $4.75. She said that this would amount to an approximate saving of $7.50 for those patronizing the Co-op during the summer session.

Further advantages listed by the student leaders of having student body cards are:

Card holders will be permitted to use typewriters located in the outer offices of the dean of men and dean of women to type book reports and other study projects. There is no fee charged for the machines, and only card holders will be permitted to use them.

Cashing of personal checks without charge in the Student Body Office, Hut 4. Regular charge is 10 cents.

U.S. and college mail delivered to the students in Hut 4 without charge. Regular fee is 25 cents for this service.

Reduction in price of admission to plays, operetta, and activities.

Saving of 40 cents per admission to swimming parties.

Price of the card is $2 and would give the holder a possible saving of $2.75 to $4.15, according to Mr. Freebling and Miss Herd.

Already planned are numerous activities including a student production of Marlowe's "Dr.Faustus". The Elizabethan drama will be directed by Stu Bernat who has won considerable fame for his excellent work in workshop productions. Many teas, concerts, and other plays are scheduled. Miss Herd predicts a full social program which will enable all students to participate.
